What is Tanghulu? 什麼是糖葫蘆?

A classic Taiwanese street treat. Fresh fruit in a thin, glass-like sugar shell that cracks at the first bite. No artificial coloring, only natural fruit flavor.
台灣經典街頭甜點。新鮮水果裹上薄脆糖衣，一咬就裂。不加色素，保留水果原味。

Who We Are 我是誰？

Since 2008. Rooted in the local produce of Hualien, Taiwan, we grew from a night market stall into a premium candied fruit brand, turning tanghulu into fine confectionery art.
2008 年創立，根植花蓮在地物產。從夜市小攤走進大型通路，把糖葫蘆做成精緻的「糖藝」。
